Dear Jesus,

Sixty years ago on Monday, the sixth of August 1945, an Atomic Bomb was dropped on Hiroshima. Only You Lord, know what the extreme casualties were, and the effect it had on the world.

I've heard many people express feelings of fear that we could become the next victim of a bomb much greater than the one at Hiroshima. Jesus, what will it take for us and people everywhere to avoid this catastrophe?

In our daily prayers we ask You to watch over those serving in foreign lands who are being injury and killed daily with one thought in mind, that the August of 1945 will not occur in August of 2005.

Lord please place a loving hand who need Your care and help us to continue to do Your holy work each day. Amen

POOL COMMITTEE

The pool heaters are almost paid for, only \$1500. to go. We have had a great time working on this committee and with the help of our residents we have gained a heated pool. By the end of this year we hope to have the heaters paid for and we will then join the pool committee with the activities committee. Thank you all for your support and donations.

BEN & JERRY'S HOT FUDGE SAUCE

This was the sauce on the sundaes at the Pot Luck July 23rd .

4 oz. unsweeten chocolate

1/2 cup butter

3/4 cup unsweetened cocoa powder

2 cups sugar

1/2 cup milk and 1 1/2 cup heavy or whipped cream

In double boiler, melt the chocolate and butter, stirring frequently. Add cocoa and whisk until it dissolves. Using a slotted spoon, gradually stir in sugar (the mixture should be consistency of wet sand.) Cook over the simmering water, stirring occasionally, for 20 minutes.

Gradually stir in the milk and cream. Continue cooking and stirring for one hour, checking the water level in the double boiler and replenishing it when necessary. When fudge is completely smooth and the sugar is dissolved, the sauce is ready. Makes one generous quart.

Hope you enjoy! The committee for July 23rd Pot Luck
